

District 2 Report

We have lots of exciting things going on in this great area. As always enjoy the ride.

1. We had our Fund-raiser on "Finding the Leader Within". Fun time had by all. We raised over \$100.00 for the '09 Fall Assembly.
2. We have a new GR from one of our Spanish speaking meetings in the District.
3. Today we have several new Group Representatives up for their first Assembly!
4. I continue to attend the different meetings in my District – encouraging Area participation and having a group conduct a group inventory.
5. Providing a letter to each Group Secretary to read in their meetings to encourage participation at the District / Area levels.
6. Several members will be attending the 2009 ICYPAA conference in Atlanta GA, Memorial Day weekend. In hopes of bringing this International Conference to WI in 2010. In winning the bid – we will have an International Conference next Memorial Day weekend. Prayers to the 70+ people going.

Looking Ahead!

7. District 2 will be hosting the '09 Fall Assembly with District 6.
8. District 2 is giving back! A free fall workshop on October 24th, 2009 on Alcoholism in Relationships. A WSO workshop from our new book, Discovering Choices.
9. For Lois's Birthday in 2010 having a campaign "300 in 30" . Leaving 300 pieces of literature in 30 days, through out the month of March to celebrate recovery. We would love other Districts to join us in this campaign.

Giving for Fun and for Free
